Division of Computer Science and Engineering   **Fall 2017 First Year Student Tips**

COURSE SCHEDULING: BALANCE YOUR LOAD AND MAKE A PLAN

- *Take ALEKS Calculus Placement Test before orientation if possible, can be taken 5 times per placement cycle. If you have any questions, please visit math.lsu.edu/ugrad/ALEKS*
- Math credit information: **math.lsu.edu/ugrad/PlacementCredit**
- ALEKS score of 70% **required** for MATH 1550 (Calculus 1) and 75% for MATH 1551 (Honors) placement.
- Without a passing ALEKS score on record, MATH 1550 will be purged from schedule on July 11.
- If you later earn **AP/IB/CLEP,** dual enrollment credits, or summer credits elsewhere and need your schedule modified**,** contact a counselor in UCFY (225-578-6822**)** or CoE Student Services (225-578-5731).
- First week of fall semester (classes begin August 21), reevaluate courses.
    - **Drop** without "W" deadline: August 29, 4:30pm
    - **Add** course deadline: August 30, 4:30pm
- To drop/add courses any time before deadline; log in to **myLSU**, navigate to *Schedule Request* under the **Registration Services** tab.
- Note the sequencing and prerequisites of courses:
